TATTLER '70

To Val

One of the sweetest
young ladys I've had
met up with, whom
I hope to be with in
the future to come.
I wish you and Jim
the best of luck!

Love Always

FORENSICS

In September North Division's Darcy Raney, Wilma Hayes and Ramona Sterling competed on the WITI TV six "Who Knows" program. North lost a close contest to the talented Private Boys School St. Bonaventure 155-153 but the loss was a moral victory to North Division and spearheaded the first serious attempt to develop a strong Forensic Club at North Division in the memory of this Tattler Staff.

The Forensic Program ground work is now completed and the success of Forensics at North rests with the interest of the individual student at North. If you were not a participant in the Forensic Program this year, follow the lead of the above mentioned serious students and plan seriously to become involved next year.
